NEW ZEALAND'S MOST TRUSTED COMMERCIAL PADLOCK

With the largest range of options & accessories available, custom etching or embossing & Australian Standard Certified it's no wonder the ABUS 83/45 & 83/50 are the locksmiths' padlock of choice. The AS4145.4 2002 standard applies to padlocks used in conjunction with padlock fittings. Requirements that relate to;

- **PHYSICAL SECURITY** is classified under 10 levels, based on performance tests that simulate attack. The security rating is based on the lowest test result achieved.
- **CORROSION RESISTANCE** is classified under 5 levels, based on standard accelerated corrosion tests.

FAMILY

From our family company to yours: Happy **100th** ABUS

Reaching the 100-year milestone is an incredible achievement. The statistics show that more than 45% of companies fail within 5 years. Fewer than 25% make it past 15 years. The 100-year club is a small and exclusive one.

'Security'. This steadfast mindset has guided the company through multiple generations, and continues to be the ongoing commitment today, exemplifying enduring success.

To reach the 100-year mark shows commitment to a singular purpose, and takes the clear focus and drive of the owners over many generations. For ABUS, that focus is always on 'The Good Feeling of

We're proud to have been partners with you for 25 years. When we launched the rekeyable interchangeable core and now iconic 83 series padlock in 1999 we could never have imagined the impact it would make on our market.

Saturday 25 May 2024
9:00am - 3:00pm

Sudima Auckland Airport | 18 Airpark Drive Mangere Auckland 2022

SAVE THE DATE & JOIN US

After the huge success of last years New Zealand Mini Trade Expo, The MLAA will be hosting another trade and training event in May. The event will be held at Sudima Auckland Airport and it will include a trade exhibition, as well as skills training, business sessions, and much more.

The expo is free to attend for all security industry professionals with the opportunity to get hands-on training with a range of LSC products including RISCO, and the new range of Electronic Bryte Locks. We will also show you how to get the best out of My Keys Pro and how to go about updating your SMART Pro.

This will be another great event, with the chance to network and catch up and we encourage all locksmiths and security technicians to attend. More details will be provided in the coming months.

Below are three photo's taken at the previous Mini MLAA Expo held at Ellerslie Novotel.

We look forward to seeing you there!
